

# Host a high school exchange student!

## Host families come in all sizes and shapes

Single parents, retirees, "empty nesters," young couples with small children, as well as more traditional two parent families with teenagers, all are currently sharing and enjoying the exchange experience.

## What our host families have in common

They are fond of young people. They are curious about other countries. They take pride in their own communities and would like to share what they value with others. They have open minds and generous hearts.

Call or email us today for more info!

**The Laurasian Institution (TLI)**

We are looking for 1-2 volunteer families to host a high school exchange student from China, Japan or Korea for a whole academic year or a semester at a time. Host Families provide room, board, and TLC. Families interested in learning more about this experience, please call The Laurasian Institution at 800-721-7474 or e-mail [mmaruyama@lurasian.org](mailto:mmaruyama@lurasian.org).
